StoVentec Carrier Board A+ attachment at windows or openings

Date: November 2021

Elevation View

Detail No.: 90.R.010

**Installation Requirement**

At windows and openings, a single StoVentec Carrier Board A+ must be notched to fit opening. Do not align board joints with corners of opening, (x and y axis) no less than 8" (203mm) in either direction.

Carrier boards must remain staggered (in a running bond) with butt ends centered horizontally on the mounting surface of the 3-9/16" (90 mm) wide vertically oriented StoVentro T-profiles.

Some carrier boards will need to be cut to fit.

L-Profiles are required when cantilever over 6" (152mm) to 16" (406mm). At 16" (406mm), place another T-Profile. See detail 90.R.049 for maximum distances based on design pressures.

ATTENTION

Sto products are intended for use by qualified professional contractors, not consumers, as a component of a larger construction assembly as specified by a qualified design professional, general contractor or builder. They should be installed in accordance with those specifications and Sto's instructions. Sto Corp. disclaims all, and assumes no, liability for on-site inspections, for its products applied improperly, or by unqualified persons or entities, or as part of an improperly designed or constructed building, for the nonperformance of adjacent building components or assemblies, or for other construction activities beyond Sto's control. Improper use of Sto products or use as part of an improperly designed or constructed larger assembly or building may result in serious damage to Sto products, and to the structure of the building or its components.

STO CORP. DISCLAIMS ALL WARRANTIES EXPRESSED OR IMPLIED EXCEPT FOR EXPLICIT LIMITED WRITTEN WARRANTIES ISSUED TO AND ACCEPTED BY BUILDING OWNERS IN ACCORDANCE WITH STO'S WARRANTY PROGRAMS WHICH ARE SUBJECT TO CHANGE FROM TIME TO TIME. For the fullest, most current information on proper application, clean-up, mixing and other specifications and warranties, cautions and disclaimers, please refer to the Sto Corp. website, www.stocorp.com.
