

# Sto reStore Resurfacing EIFS

Detail No.: 72.02

Date: December 2010

**1.** Inspect the existing finish to ensure that it is sound, clean, and free of contaminants. Any areas of loose or damaged finish should be removed and the base coat inspected prior to proceeding.

**2.** Patch the damaged area with base coat prior to re-application of base coat to provide a level substrate.

**3.** When the existing substrate is clean and dry apply base coat and mesh to the entire surface to be refinished.

4. Install new textured finish over the entire surface area to be refinished. Protect finish until completely dry.

Note: Follow directions for application in StoTherm® EIFS Reference Guide: Repair and Maintenance, Resurfacing EIFS - 1.03.

### Attention

Sto products are intended for use by qualified professional contractors, not consumers, as a component of a larger construction assembly as specified by a qualified design professional, general contractor or builder. They should be installed in accordance with those specifications and Sto's instructions. Sto Corp. disclaims all, and assumes no, liability for on-site inspections, for its products applied improperly, or by unqualified persons or entities, or as part of an improperly designed or constructed building, for the nonperformance of adjacent building components or assemblies, or for other construction activities beyond Sto's control. Improper use of Sto products or use as part of an improperly designed or constructed larger assembly or building may result in serious damage to Sto products, and to the structure of the building or its components. **STO CORP DISCLAIMS ALL WARRANTIES EXPRESS OR IMPLIED EXCEPT FOR EXPLICIT LIMITED WRITTEN WARRANTIES ISSUED TO AND ACCEPTED BY BUILDING OWNERS IN ACCORDANCE WITH STO'S WARRANTY PROGRAMS WHICH ARE SUBJECT TO CHANGE FROM TIME TO TIME.** For the fullest, most current information on proper application, clean-up, mixing and other specifications and warranties, cautions and disclaimers, please refer to the Sto Corp. website, [www.stocorp.com](http://www.stocorp.com).
